## SENATE BILL

No. 1910

### Introduced by Senator Dunn

February 24, 2000

---

---

An act to add and repeal Title 6.9 (commencing with Section 13990) to Part 4 of the Penal Code, relating to information technology and services, and making an appropriation therefor.

#### LEGISLATIVE COUNSEL'S DIGEST

SB 1910, as amended, Dunn. Information technology and services.

Under existing law, the Department of Information Technology is required to provide guidance and oversight of information technology in state government, as specified. Existing law also requires the Department of Justice to maintain state summary criminal history information and the department is required to furnish it to state courts, law enforcement, and district attorneys, among others.

This bill would state legislative intent to enact legislation providing for an integrated system of information technology and services among law enforcement, district attorneys, courts, and ~~adult and youth corrections that maximizes the standardization of data and communications technology.~~

~~This bill would also establish a pilot~~ *other related agencies, as specified, and to authorize funding for a program in the*

County of Orange, that would be known as the Strategic Integrated Justice Systems Plan (SIJSP) and ~~that~~ would implement the provisions of the County of Orange Law and Justice System Memorandum of Agreement. ~~The program would be administered by bill would authorize the Orange County Sheriff's Department. An independent entity would be required to evaluate and report to produce this strategic plan, which would be required to meet specified standards, and if produced would be submitted to the Governor, specified the Department of Justice, the Judicial Council, and the appropriate policy committees of the Legislature, and others, whether specified objectives of the program were met. By imposing additional duties on a local government entity, this bill would impose a state-mandated local program upon its completion.~~

~~This bill would also appropriate \$5,000,000 to the Orange County Sheriff for purposes of the pilot program.~~

The bill would provide that its provisions would remain in effect until January 1, ~~2006~~ 2002, and as of that date is repealed, except as specified.

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions appropriate \$100,000 from the General Fund to the Controller for distribution on a dollar-for-dollar matching fund basis to the Orange County Sheriff for the purpose of preparing the SIJSP and would provide that these funds shall remain available until January 1, 2002.~~

Vote:  $\frac{2}{3}$ . Appropriation: yes. Fiscal committee: yes. State-mandated local program: ~~yes~~ no.

*The people of the State of California do enact as follows:*

SECTION 1. Title 6.9 (commencing with Section 13990) is added to Part 4 of the Penal Code, to read:

TITLE 6.9. STRATEGIC INTEGRATED JUSTICE  
SYSTEM

13990. It is the intent of the Legislature to enact legislation ~~establishing~~ and do the following:

(a) *Establish* an integrated system of information technology ~~and services that maximizes the standardization of data and communications technology among~~ to allow law enforcement, district attorneys, courts, and ~~adult and youth corrections, based upon the implementation and final evaluation report on the other~~ related agencies to improve the efficiency of the local criminal justice system, enhance public safety, and save taxpayer dollars.

(b) *Authorize funding for a program in the County of Orange* ~~pilot project, to be known as the Strategic Integrated Justice Systems Plan (SIJSP) to implement the provisions of the County of Orange Law and Justice System Memorandum of Agreement.~~

(c) *Use the model from the SIJSP study to implement law enforcement efficiency programs in the County of Orange and other counties of the state.*

~~13991. A pilot project is hereby established for the County of Orange, to be known as the Strategic~~

~~13991. The Orange County Sheriff's office is authorized to produce the Strategic Integrated Justice Systems Plan (SIJSP) to implement the provisions of the County of Orange Law and Justice System Memorandum of Agreement. The pilot project is established in Orange County because the Orange County Law and Justice System Memorandum of Agreement has been entered into by all municipal police departments and other interested local government agencies, the planning phase of the SIJSP has been completed, and a request for proposal has been issued. All municipal police~~

~~1 departments in the County of Orange shall participate in  
2 the pilot project. The pilot program shall be directed by  
3 the Strategic Integrated Justice System Steering  
4 Committee, comprised of representatives appointed by  
5 the signatories to the Memorandum of Agreement. Funds  
6 for the project shall be administered by the Orange  
7 County Sheriff's Department at the steering committee's  
8 direction.~~

~~9 13992. The pilot project shall insure the seamless  
10 strategic plan authorized by this title shall do the  
11 following:~~

~~12 (a) Determine the ability of the local criminal justice  
13 system to ensure the seamless transfer of data, from arrest  
14 to court prosecution, without requiring duplicate data  
15 entry, insure the accuracy of that information order to  
16 minimize identity errors in subsequent court  
17 proceedings or filings, and allow for the timely reporting  
18 of dispositions of court cases to facilitate the prompt  
19 return of any affected victim's property. The pilot project  
20 should insure~~

~~21 (b) Ensure that law enforcement officers have the  
22 most current information in the field with regard to  
23 suspect identity, the status of any court proceedings, and  
24 the terms of probation or other conditions, in order to  
25 reduce the necessary time required for field detentions  
26 to gather that information. The project plan shall ensure  
27 that any confidentiality requirements that apply to  
28 juvenile records shall be maintained. The project shall  
29 have~~

~~30 (c) Include a "witness management" component to  
31 coordinate court appearances in order to eliminate the  
32 needless waste of law enforcement officer's time standing  
33 by to testify in court cases, thereby reducing the cost to  
34 the taxpayer, maximizing effectiveness of the officer and  
35 reallocating that time to front line law enforcement.~~

~~36 13993. (a) An independent entity shall evaluate the  
37 SJISP with the participation of appropriate departments  
38 and agencies, as designated by the Department of Justice,  
39 and prepare interim and final evaluations, and submit  
40 them to the Governor or the Governor's designee, the~~

1 13992. If produced, upon its completion the SIJSP  
2 shall be submitted to the Governor, the Department of  
3 Justice, the Judicial Council, and the appropriate policy  
4 committees of the Legislature. ~~Interim reports shall be~~  
5 ~~submitted January 1, 2003, and January 1, 2004, and the~~  
6 ~~final report shall be submitted no later than January 1,~~  
7 ~~2005.~~

8 (b) ~~The final evaluation report shall include a~~  
9 ~~determination of whether the following objectives of the~~  
10 ~~pilot project were met:~~

11 (1) ~~Further the future concept and planning of law~~  
12 ~~and justice in the County of Orange.~~

13 (2) ~~Meet the guiding principles of the County of~~  
14 ~~Orange Law and Justice Memorandum of Agreement.~~

15 (3) ~~Provide a framework for eliminating walls~~  
16 ~~between information and critical processes with the goal~~  
17 ~~of improving public safety and overall efficiency of the~~  
18 ~~participating agencies.~~

19 (4) ~~Document the current environment with a~~  
20 ~~high-level focus on subject area data model, application~~  
21 ~~and technology, and current and future data sharing~~  
22 ~~needs within and between agencies to the point that it~~  
23 ~~allows the examination of future needs and goals,~~  
24 ~~including a highly integrated paperless operation~~  
25 ~~supported by efficient data sharing and application~~  
26 ~~technologies with long-term viability.~~

27 (5) ~~Establishment of data, application, and technology~~  
28 ~~standards for the County of Orange law and justice~~  
29 ~~community and counties throughout the state.~~

30 (6) ~~Construct a countywide strategic plan for justice~~  
31 ~~agencies shared by planners and top management, that~~  
32 ~~articulates the system's architecture, vision, and~~  
33 ~~environment for integration across the justice agencies of~~  
34 ~~the County of Orange.~~

35 (7) ~~Create a plan and schedule to incorporate new~~  
36 ~~technologies, applications and system modifications into~~  
37 ~~the integrated justice system while maintaining efficient~~  
38 ~~interfaces.~~

39 (8) ~~Provide a migration and implementation plan to~~  
40 ~~guide the deployment of the strategies.~~

~~(9) Assess and recommend alternative technology platforms and components.~~

~~(10) Provide a list of near-term improvement opportunities.~~

~~(11) Identify alternative integration options and evaluate the options against requirements and the current environment.~~

~~(12) Identify issues and project requirements to ready the county's law and justice agendas for integration.~~

~~(13) Produce two documents that may be used by counties statewide, a Project Handbook and a final strategic plan.~~

~~(14) Cost savings to the participating entities and to the state that have been obtained because of the project.~~

~~13994. The sum of five million dollars (\$5,000,000) is hereby appropriated from the General Fund to the Orange County Sheriff for purposes of the SIJSP pilot program.~~

~~13995.~~

~~13993. This title shall remain in effect only until January 1, 2006 2002, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006 2002, deletes or extends that date.~~

~~SEC. 2. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars (\$1,000,000), reimbursement shall be made from the State Mandates Claims Fund.~~

~~SEC. 2. The sum of one hundred thousand dollars (\$100,000) is hereby appropriated from the General Fund to the Controller for distribution on a dollar-for-dollar matching fund basis to the Orange County Sheriff for the~~

1 *purpose of producing the SIJSP. These funds shall be*  
2 *available for transfer only until January 1, 2002.*
